PROFESSIONAL SERVICE

2016-2018 Member of Technical Advisory Group – Heartland Project
 The Heartland Project is a three-year project funded by the U.S. Department of Health and Human Services’ Office of Women’s Health. The project’s leadership team is at the University of Kansas. The grant funds collaboration with eight post-secondary institutions in Kansas, Missouri, and Nebraska in the development of sexual assault prevention programs and policies. As a member of the Technical Advisory Group, I will provide assistance in “developing strategies for dissemination of innovative strategies and resources, and will provide technical assistance for policy development and prevention strategy implementation at partnering campuses.”
